

BizBroker24

Founded in 2009, BizBroker24 has accelerated to become the largest E-Business Merger & Acquisition Company in the world listing over \$100 Million in businesses for sale with partners in the United States of America, Europe, Asia, Australia and Middle East.

At BizBroker24 we specialize in the listing and sales of websites and internet businesses.

We focus on internet businesses with transaction valuations between US\$150,000+ and US\$20 million.

If you are considering a sale of your business and would like a Free no obligation valuation of your business, phone us on + 1 (786) 350-1560 or simply send us an Email at info@bizbroker24.com to complete a free business valuation form and we will contact you in confidence.

If you have an online business for sale, BizBroker24 can confidentially and professionally manage all phases of your business transfer. We can help determine your business's value, create a comprehensive marketing plan to attract qualified buyers, and negotiate on your behalf to maximize the price and terms of your transaction.

Should you desire to acquire an online business we can walk you through the entire process of purchasing a business and provide you with a number of educational resources for information on financing a business, due diligence, business valuation, market trends and more.

Our team of Consultants and Brokers come from varied backgrounds such as accounting, legal, banking, real estate and insurance all of which have extensive transaction execution expertise.

Feel free to contact us right now for a Free Business Valuation!
